

PRIVATE NON-PROFIT ORGANIZATION CERTIFICATION

This is to certify that:

1. _____ meets the requirements outlined in Section 406 (a)(2) of P.L. 93-288 as amended by P.L. 100-707 and is seeking Federal Disaster Assistance under P.L. 93-288 as amended by P.L. 100-707, as a Private Non-Profit Organization.
2. The above named organization has been granted tax exemption by the Internal Revenue Service (IRS) under Section 501 (c) or (e) of the Internal Revenue Code of 1934 as amended, or it is a non-revenue producing organization or entity and is a non-profit one organized or doing business under State law.

NOTE: Please attach a current copy of the IRS ruling letter or opinion from the State.

3. The above named organization has the necessary permits and licenses to repair, restore, reconstruct, or replace the facility in accordance with the project application; and to maintain and operated the facility thereafter.
4. The above named organization will conform with all applicable codes, specifications, and standards during the performance of restorative work.
5. The above named organization owns the damaged facility, and in the case of real property, has, or will have, a title or fee simple, or such other estate or interest in the site, including necessary easements and rights-of-way, sufficient to assure (for a reasonable time period) undisturbed use and possession for the purpose of the construction and operation of the facility.
6. The facility will continue to be operated in such a manner as to maintain either tax exempt statues granted under the Internal Revenue Code or the non-profit status under the State law during the normal anticipated useful life of the restored facility, or the useful life of the restorative work, whichever is less.
7. The above named organization will maintain adequate and separate accounting and fiscal records to account for all funds provided from any source to pay the project costs and allow per audit of such records and accounts at any reasonable time. Record keeping will also be utilized to insure that claims for Federal reimbursement do not duplicate funding provided from any other source.
8. The above named organization will provide and maintain competent and adequate architectural or engineering supervision and inspection at the construction site to insure that the completed work conforms with the appropriate plans and specifications.
9. Adequate financial support will be available for maintenance and operation when completed.
10. Insurance required by P.L. 93-288, as amended by P.L. 100-77, and Federal Disaster Assistance Regulations will be obtained and maintained.
